

Terms and Conditions for Virtual User Testing Session

1. Introduction

These Terms and Conditions govern your participation in the virtual user testing session conducted by Kids Learn Code. By participating, you agree to these terms.

2. Purpose of User Testing

The user testing session aims to gather feedback on the Kids Learn Code website and its educational offerings to enhance user experience and program effectiveness.

3. Session Details

- **Duration:** The session will last approximately 30 minutes.
- **Format:** The session will be conducted virtually via a video conferencing platform, Microsoft Teams
- **Recording:** The session will be recorded for analysis purposes.

4. Participant Responsibilities

Participants agree to:

- Engage honestly and constructively during the session.
- Provide feedback based on their experience with the website.
- Ensure they are in a quiet environment with a stable internet connection during the session.

5. Confidentiality

All feedback will be treated confidentially. Personal information collected during the session will not be shared with third parties without consent.

6. Use of Recorded Data

By participating, you consent to the recording of the session and its use for internal analysis and improvement of our services. Recorded sessions may be reviewed by Kids Learn Code staff but will not be shared publicly without prior consent.

7. Limitation of Liability

Kids Learn Code is not liable for any direct or indirect damages arising from participation in the virtual user testing session.

8. Termination

Kids Learn Code reserves the right to terminate your participation if you fail to comply with these terms or if technical issues arise that prevent continued participation.

9. Amendments

Kids Learn Code may update these Terms and Conditions at any time. Participants will be notified of significant changes.
